

## BRAND OVERVIEW

Bellagave Tequila is a modern tequila brand born from a passion for quality and beauty. When we couldn't find an infused tequila we felt good about drinking, we created one ourselves. We always start with 100% Blue Agave Tequila and infuse it with all-natural ingredients—never any artificial flavors or colors. Two of our tequilas are bottled at 70 proof for a super smooth sip

and a few less calories. Our Blanco and Habanero tequilas offer a more bold experience at 80 proof. Whether you're sipping or mixing, Bellagave offers a flavorful and smooth tequila made for life's best moments. From sitting beachside to sharing a toast with friends to hosting a celebratory dinner party, Bellagave is here to help make every moment beautiful.
